## ABOUT FSSM

Idea of forming an association among forensic science practitioners was mooted many years ago between officers from agencies involved in forensic investigation, examination and education.

The idea eventually took on a more serious note in 2006 when a 'revival' of ideas and plans were initiated mainly among officers of the Department of Chemistry Malaysia, the Malaysian Royal Police Force, School of Health Sciences, Universiti Sains Malaysia, Forensic pathology Division of Hospital Kuala Lumpur and several others.

Subsequently a *pro tem* Committee was set up to take responsibility of getting the documents ready for submission to the Registrar of Society (ROS). After much hard work by the *pro tem* Committee, an inaugural meeting was held and subsequently documents were submitted to the ROS and on 8th May 2008, the Forensic Science Society of Malaysia became a fully registered society. At present, the society has a total of 291 registered members.

The Society was set up as a non profit organization with the following objectives:

- ✓ To advance the study and application of forensic sciences;
- ✓ To facilitate co-operation among persons who are, or have been, occupationally involved in forensic activities;
- ✓ To organise meetings, seminars, lectures, discussions; and
- ✓ To promote the activities of the society.

# FORENSIC SCIENCE SEMINAR (FSS) 2018

*"Advancing Forensic Sciences"*

**7 March 2018**  
*Pullman Hotel, Bangsar*

Sole Sponsor:  
Agilent Technologies (M) Sdn Bhd

**Agilent Technologies**

Organised by:  
Forensic Science Society of Malaysia

[www.forensics.org.my](http://www.forensics.org.my)

## ABOUT THE SEMINAR

Welcome to the Forensic Science Seminar (FSS) 2018 organised by the Forensic Science Society of Malaysia (FSSM) as a part of our effort to provide a platform for disseminating information on current development and strengthening networking among peers and members. We are delighted to host this event as a spark to gather professionals, researchers and academicians for a mutual exchange of insights, views and experiences on current and future developments in the area of forensic sciences in the age of disruption.

FSS 2018 will be held on 7<sup>th</sup> March 2018 with the theme "Advancing Forensic Sciences". This seminar includes presentations from invited speakers, and e-poster presenters to share information about research and development, education and other updates. We look forward to meeting you at FSS 2018.

## TOPICS

We would like to invite you to participate in this seminar as participant or to present e-posters on the sub-themes such as:

- Toxicology
- Trace Evidence Analysis
- Criminalistics
- Medical Forensics
- DNA Analysis
- Crime Scene Investigation
- Drug Analysis
- Document Examination
- Digital Forensics , *etc.*

## WHO SHOULD ATTEND

Any individual or organisation interested in Forensic Sciences:  
-Forensic Scientists  
-Law Enforcement Officers  
-Law Practitioners  
-University Personnel and Students  
-Researchers, *etc.*

## REGISTRATION/ CALL FOR ABSTRACT

The organising committee welcome e-poster presentations, as well as expressions of interest to attend.

The call for abstracts and expressions to attend is currently open and will close on 1st March 2018. e-Poster presentation abstracts can be submitted online to the FSSM secretary. Notifications in relation to abstract submission and attendance will be sent through email. The language medium for all presentation in the seminar is English. If you require more information, please feel free to email the FSS 2018 Organising Committee at [fssmalaysia@gmail.com](mailto:fssmalaysia@gmail.com).

Abstract should be prepared in less than 200 words in required format:

Form: Microsoft Word  
Font: Times New Roman  
Font size: 11 Points  
Spacing: Single  
Text alignment: Justified

## SEMINAR FEE

Participant Categories	Amount
Members/Student Members	Waived
Non-members	RM 100
Students	RM 50

## PRESENTATION GUIDELINES

Oral Presentation (**Invited only**):  
Oral presenters will be given 15 minutes to present their work and an additional 5 minutes for Q&A, for a total of 20 minutes.

e-Poster Presentation:  
An electronic poster (e-poster) is a poster in PDF format to display on multimedia screen. e-poster size: **A1 SIZE POSTER** (841 mm x 594 mm @ ISO 216) in **PORTRAIT** orientation.  
The e-poster may include text, tables, figures & images but no video & animation.
