

ABOUT US

Malaysian Journal of Forensic Sciences, a peer-reviewed annual journal of the Forensic Science Society of Malaysia was initiated in conjunction with the 2nd anniversary of the establishment of the Society in 2010. It is a platform for the dissemination of information and research findings from various branches of Forensic Sciences. These include including criminalistics, narcotics, toxicology, DNA analysis, serology, anthropology, forensic psychology and other forensic-related fields. This Open Assess online journal operating on an on-line submission and reviewing system welcomes manuscripts on all aspects of forensic science related article from local and international researchers.

MALAYSIAN JOURNAL OF FORENSIC SCIENCES (MJOFS): MISSION STATEMENT

The mission of Malaysian Journal of Forensic Sciences (MJOFS), the annual journal of the Forensic Science Society of Malaysia is to serve as a platform for disseminating observations, findings, and views from various branches of Forensic Sciences by publishing peer-reviewed articles in a balanced scientific and objective manner.
